If you are using the mail in option rather than voting electronically, please ensure your voter package is post marked no later than December 13th. You may want to place your vote early in the voting window to ensure enough time for Canada Post delivery during the busy holiday season.

Please complete and sign the Voter Certification Form and the attached ballot. Place the ballot in the "Ballot Envelope", seal it and then put that envelope and this Voter Certification Form together in the postage-paid envelope addressed to the Returning Officer. Both the ballot and the Voter Certification Form need to be completed to be counted in the vote.
