

## Temporary Foreign Workers – Farms and Agriculture

#### Health Card Processing

April 15, 2020

Dear Farm or Producer,

In direct response to COVID-19, the Ministry of Health (MOH), in partnership with ServiceOntario, has temporarily removed the requirement for in-person site visits for health card applications for temporary farm workers.

All appointments made through our Appointment Booking Unit at 1-888-376-5197, or email address <u>MFW.MOH@ontario.ca</u>, have been cancelled. These channels remain available for further inquiries.

Instead, health card registrations and renewals should be sent via mail to:

#### ServiceOntario Hamilton

119 King St. West, 4th Floor Hamilton, ON L8P 4Y7

When completing the forms, as proof of residency for the worker, please indicate the full address of the farm/producer on the registration form.

New health cards will be sent through the mail to the farm's address. Note that the health cards may not bear photographs or signatures. Transaction records will not be issued.

At this time, there will be no waiting period for Ontario Health Insurance Plan (OHIP) coverage. This is a temporary measure for non-SAWP [non-Seasonal Agricultural Worker Program (SAWP)] workers.

In emergency situations, regarding any issues with health coverage, please contact the consulate or worker program directly.

For your reference, attached to this letter is **Appendix A: Health Card Application Procedure for Farm Workers**.

We thank you for your patience and understanding.
