

Agri-Tech Innovation Program Webinar – Funding for Advanced Technologies to Mitigate COVID-19 Transmission Risk in the Agri-Food Sector

Monday, May 17th 2021 at 1:00-2:00 PM ET or Thursday May 20th 2021 at 9am-10am ET

Description:

You are invited to join a webinar about the Agri-tech Innovation Program – a new a \$22 million cost-share program that will help farming operations and processor businesses adopt innovative and new technologies. This session will provide details on the Early Adopters intake to support implementation of sector-specific, unique and innovative technologies in the workplace that enhance protection of workers against COVID-19 by reducing COVID-19 transmission risk, lead to increased business efficiencies and productivity, and help build the sector's resilience. The merit-based intake opens on May 17, 2021 and will close on June 21, 2021.

Alex Heim from the Ontario Ministry of Agriculture, Food and Rural Affairs will provide an overview of the program details and how to apply, followed by a question and answer period.

Please choose one of the two timeslots offered. You must register in advance. [Please complete the registration form here.](#)
