## New Vegetable Crop Production Guide – Publication 839

OMAFRA's new Guide to Vegetable Production in Ontario – Publication 839 is now available.

This guide replaces the discontinued Publication 363 – Vegetable Production Recommendations. Features of the new Vegetable Production Guide include:

- Updated crop production & fertility guidelines
- Illustrated crop development stages
- Pest activity calendars
- Images of selected pests, pathogens and disorders

A digital copy of the publication can downloaded here: [Publication 839](#)

Printed copies of the publication will be available for purchase at the OMAFRA booth at the Ontario Fruit and Vegetable Convention, February 21-22, 2024 at the Niagara Falls Convention Centre for a discounted price of \$35 (HST included). Payment by cash or cheque will be accepted. Only one copy per client, no bulk orders.

If you are unable to make the Ontario Fruit and Vegetable Convention, print copies will also be available to be ordered through the [Publications Ontario](#) website in the early spring after the convention. Go to Publications Ontario and search "Vegetable Production Guide".

Shipping charges and HST will apply when ordering through the Publications Ontario website.
